CASE NO. 07CV1425-LAB (NLS)

**ORDER ACCEPTING  
SUPPLEMENTAL  
DECLARATIONS OF FACTS**

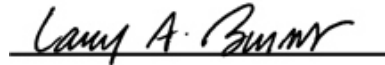

23 Although Defendants' motion to dismiss was previously taken under submission and  
24 the hearing originally set for today, January 28, 2008 at 10:30 a.m. was vacated, Plaintiffs  
25 nevertheless appeared, stating they had not received notice the hearing was off calendar.  
26 Plaintiffs presented two supplemental declarations, which the Court accepted for filing. The  
27 supplemental declarations, however, will be considered only to the extent the Court  
28 considers issues in Defendants' Reply that Plaintiffs have not yet had the opportunity to  
respond to.

Plaintiffs also requested the Court issue an order granting them access to  
electronically filed documents. This does not, however, require a Court order. For access

1 to the docket in their case, Plaintiffs are directed to call the PACER Service Center at (800)  
2 676-6856 between the hours of 8:00 a.m. and 5:00 p.m., Central Time.
